

# Curriculum Café Community Guidelines

Welcome and thank you for registering with FCO's Curriculum Café Series.

Our Cafés are designed for family council members and long-term care home staff who want to deepen their understanding of, and work within their long-term care community.

We invite and encourage you to participate in the chats and breakout rooms to discuss the topic in question, make connections and share stories.

To ensure everyone feels empowered and safe to participate, we ask all attendees to adhere to the following community guidelines in all interactions with FCO and other Curriculum Café attendees:

- Be kind, open-minded, and respectful of everyone's opinions and life experiences.
- Offer feedback based on scenarios being reviewed.
- Mute your audio when not speaking.
- Allow people to finish their thought before speaking.
- Keep all discussions confidential.
- Move up, leave space for others to participate.

FCO will keep any sensitive information gathered secure and confidential.

**By participating in the Cafes, live sessions, and breakout rooms you agree to these guidelines.**

Thank you for helping to ensure that virtual events are a positive experience for everyone involved.
