# Participants Needed for Research Study on Caregiving in Long-Term Care

**If you are a family member or caregiver to an older adult in long-term care, we want to hear from you!**

## **Who can participate?**

Persons who actively provided care to a family member or loved one living in a long-term care (LTC) home prior to the COVID-19 pandemic.

## **What do we want to learn in this study?**

We want to understand family members' and care partners' involvement in hands-on care and the time they spent providing this care to their loved one(s) in LTC home(s) prior to the COVID-19 pandemic.

## **What do I have to do?**

We are asking caregivers to complete a 20-minute survey on the details of the care they provided to their loved one(s) in LTC.

## **Need more information?**

Please contact Alixe Ménard at 613-562-6262 Ext. 1753 or by email at [AMenard@Bruyere.org](mailto:AMenard@Bruyere.org).

This project has been reviewed and approved by the Bruyère Continuing Care Research Ethics Board as study #M16-21-002. If you have any ethical concerns about the study, or the way it is conducted, please contact the Bruyère Continuing Care REB: (613) 562-6262 Ext. 4003 or [REB@bruyere.org](mailto:REB@bruyere.org). Please note that during the time of the COVID-19 pandemic it is usually not possible to reach the REB staff by telephone. Accordingly, until more normal ties, please contact the REB by email at [REB@bruyere.org](mailto:REB@bruyere.org).

## **How do I participate?**

If you're ready to take the survey now, you can access it by typing the following URL into your browser on your phone or computer
