

INSTALL SKYPE APP ON A MOBILE DEVICE

1

On an Android device open the Google Play Store.

On an Apple device open the App Store.

2

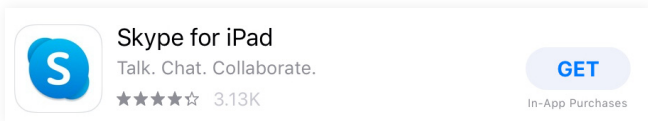

Search for **Skype**.

skype

3

Tap GET, Install or  beside **Skype - free IM & video calls**. Any of these options will begin the download.

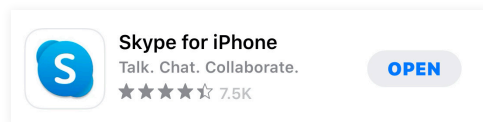

4

If prompted, enter your **Apple ID** or **Google Account** password to proceed with the install.

5

Tap **Open**.

You're all set. Time to join or launch a Skype call!
